## Speaking Topics

### How to Defy the Odds

**Transplanted: Life Lessons of a Transplant Recipient** This talk is based on a nearly 5 year battle with Liver Failure and the many life lessons that were learned along the way. The lessons learned are from a patients view, with personal insights from a family members, friends, doctors and more.

### Public Speaking that Transforms

Public Speaking can be a powerful tool in leading well. In this talk, I share the power of storytelling, creative communication, and how to cast a vision that transforms the heart and head into action.

### Sticks & Stones: How to Stop Bullying

1 out of every 5 students is bullied each day in our schools. Bullying can be stopped, and in this talk, I share several practical steps on how to change your culture and environment so it is no longer is accepted as "normal" behavior.

## Bio

**Rich has 25 years of experience as a broadcaster, motivational speaker, visionary leader, and Pastor and is on a mission to help you DEFY THE ODDS of life, leadership, and public speaking.**

Rich shares from his own life story and experiences, including facing a serious and life-threatening medical battle with liver failure, only to defy the odds and work his way back to full health and life after receiving a liver transplant in 2017.

Plus for over 25 years he has enjoyed an exciting sports broadcasting career, in spite of working around a stutter he has had since birth. Rich has much to share about how to overcome, and DEFY THE ODDS no matter the challenges you may face personally or professionally.

*Of course we would recommend him as a speaker, because we have asked him to come back.*
